

Introduction

The fellowship programme is run through the Joint Committee on Surgical Training (JCST).

Fellowship posts are open to all higher surgical and where appropriate, non-surgical Fellows, that meet the person specifications. Details of eligibility are found through the [JCST](#).

Any unit applying to host Training Interface Group Fellows must have trainer representation from all parent specialties.

Applicant units are required to be able to deliver the [TIG curriculum](#) and adhere to the [quality indicators \(QIs\)](#).

The data included in the form below is an extract of the data submitted by the unit in their application to become a TIG unit.

Cambridge University Hospitals NHS Foundation Trust Training Interface Group fellowship post in Hand Surgery

Indicative Timetable

The Fellow should be based at the main hospitals/Trusts for most of their educational activity but one session (professional activity) may occur outside these units each week. A Fellow may work for 48 hours per week and if there is no on-call, all this time may be used for training.

Below is an indicative timetable that indicates the type of proposed activity and includes supporting professional development (SPD). SPD should be one half day each week. Please note that the timetable must be compatible with the Quality Indicators specific to the relevant TIG.

Multi-disciplinary team meeting (MDT), Supporting Professional Development (SPD), Operating theatre (Th), Ward round (WR), Outpatient clinic (OPC)

Trust A	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
AM	Theatre – day cases Ely	Clinic with plastic Hand surgeon	Plastic trauma list with consultant	Orthoclinic	Theatre either ortho hand or plastic hand		
PM	Theatre – day cases Ely	Hand MDT Ortho clinic	Plastic trauma list With consultant	Free	Theatre either ortho hand or plastic hand		

Trust B	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
AM
