

Introduction

The fellowship programme is run through the Joint Committee on Surgical Training (JCST).

Fellowship posts are open to all higher surgical and where appropriate, non-surgical Fellows, that meet the person specifications. Details of eligibility are found through the [JCST](#).

Any unit applying to host Training Interface Group Fellows must have trainer representation from all parent specialties.

Applicant units are required to be able to deliver the [Fellowship curriculum](#) and adhere to the [quality indicators \(QIs\)](#).

The data included in the form below is an extract of the data submitted by the unit in their application to become a TIG unit.
