Indicative Timetable

The Fellow should be based at the main hospitals/Trusts for most of their educational activity but one session (professional activity) may occur outside these units each week. A Fellow may work for 48 hours per week and if there is no on-call, all this time may be used for training.

Below is an indicative timetable that indicates the type of proposed activity and includes supporting professional development (SPD). SPD should be one half day each week. Please note that the timetable must be compatible with the Quality Indicators specific to the relevant TIG.

Multi-disciplinary team meeting (MDT), Supporting Professional Development (SPD), Operating theatre (Th), Ward round (WR), Outpatient clinic (OPC)
